WACO DIVISION

UNITED STATES OF AMERICA	§	
	§	
vs.	§	NO: WA:23-CR-00198(1)-ADA
	§	
(1) PATRICK PORTER	§	

ORDER ACCEPTING REPORT AND RECOMMENDATION .
OF THE UNITED STATES MAGISTRATE JUDGE

Before the court is the above styled and numbered cause. On September 29, 2023 the United States Probation Office filed a Petition For Warrant or Summons For Offender Under Supervision for Defendant (1) PATRICK PORTER, which alleged that Porter violated a condition of his supervised release and recommended that Porter 's supervised release be revoked (Clerk's Document No. 3). A warrant issued and Porter was arrested. On October 6, 2023, Porter appeared before a United States Magistrate Judge, was ordered detained, and a revocation of supervised release hearing was set..

Porter appeared before the magistrate judge on October 31, 2023, waived his right to a preliminary hearing and to be present before the United States District Judge at the time of modification of sentence, and consented to allocution before the magistrate judge.

Following the hearing, the magistrate judge signed his report and recommendation on October 31, 2023, which provides that having carefully considered all of the arguments and evidence presented by the Government and Defendant, based on the original offense

and the intervening conduct of Porter, the magistrate judge recommends that this court continue Porter supervised release. The magistrate judge recommends the additional following special conditions: Defendant is ORDERED to obtain counseling services, at Defendant's own expense, with a provider acceptable to Defendant's probation officer. If Defendant violates his supervised release during the remainder of his supervised release, he is ORDERED to appear specifically before the undersigned judge for any future revocation proceedings (Clerk's Document No. 18).

A party may serve and file specific, written objections to the proposed findings and recommendations of a magistrate judge within fourteen days after being served with a copy of the report and recommendation, and thereby secure a *de novo* review by the district court. *See* 28 U.S.C. § 636(b); Fed. R. Civ. P. 72(b). A party's failure to timely file written objections to the proposed findings, conclusions, and recommendation in a report and recommendation bars that party, except upon grounds of plain error, from attacking on appeal the unobjected-to proposed factual findings and legal conclusions accepted by the district court. *Douglass v. United Services Auto Ass'n*, 79 F.3d 1415 (5th Cir. 1996) (*en bane*). The parties in this cause were properly notified of the consequences of a failure to file objections.

On October 31, 2023, following the hearing on the motion to revoke supervised release, all parties signed a Waiver Of Fourteen Day Rule For Filing Objections To Report and Recommendation Of United States Magistrate Judge (Clerk's Document No.

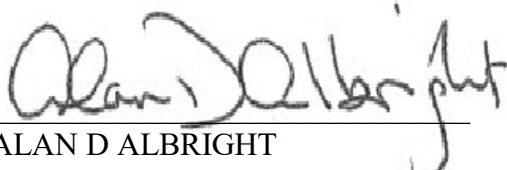

17). The court, having reviewed the entire record and finding no plain error, accepts and adopts the report and recommendation filed in this cause.

IT IS THEREFORE ORDERED that the Report and Recommendation of the United States Magistrate Judge filed in this cause (Clerk's Document No. 18) is hereby **ACCEPTED AND ADOPTED** by this court.

IT IS FURTHER ORDERED that Defendant (1) PATRICK PORTER's term of supervised release is hereby **CONTINUED**. In addition, defendant Porter shall comply with the following special conditions: Defendant is **ORDERED** to obtain counseling services, at Defendant's own expense, with a provider acceptable to Defendant's probation officer. If Defendant violates his supervised release during the remainder of his supervised release, he is **ORDERED** to appear specifically before the undersigned judge for any future revocation proceedings.

IT IS FURTHER ORDERED that all prior conditions of supervised release are reimposed.

Signed this 1st day of November, 2023.

UNITED STATES DISTRICT JUDGE
